Dear Friends:

Garden Pathways needs your help. If you will join us, we promise you a good time, with great people doing good work. First things first: Garden Pathways changes lives from the inside out through hope and relationship. We build healthy families from broken ones. With God's leading, and help from the community, we have made great strides in **"building community from the inside out."** We are expanding our facilities to include more classrooms and a kitchen – a critical need at this time. It is only with your help that we can continue to serve our community and His purpose.

We invite you to our "Garden Party." Come and see the work and the plans at The Garden. Come join our guest speaker, Congressman Kevin McCarthy, and entertainment by Amy Adams for a night of fun and fellowship.
